

Title IX Mid-Year Report

The Title IX Mid-Year Report summarizes incidents reported to the Office of Institutional Equity under MSU’s Relationship Violence and Sexual Misconduct Policy between 8/16/16—12/31/16. OIE received reports of 337 RVSM incidents, which is a substantial increase compared with the same period the prior year. OIE has continued to add additional resources as we continue work to reduce the time to complete investigations.

RVSM Incidents Reported to OIE 8/16/16 –12/31/16

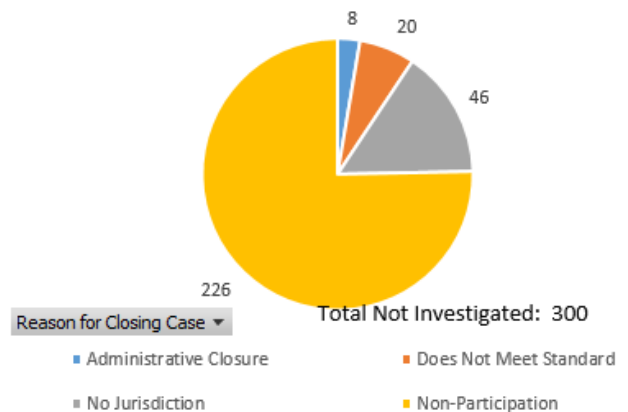

RVSM Incidents Investigated/Not Investigated

	Fall 2015	Fall 2016
Total RVSM Incidents Reported	167	337
Total Investigations	28	37

Reason RVSM Incidents Not Investigated

Average Time to Complete Investigations:
(includes cases where extensions were issued)
80 Days

Common Reasons for Extensions:
Law enforcement delay, Additional parties/witnesses identified, Evidentiary delays, New Evidence, and Academic break

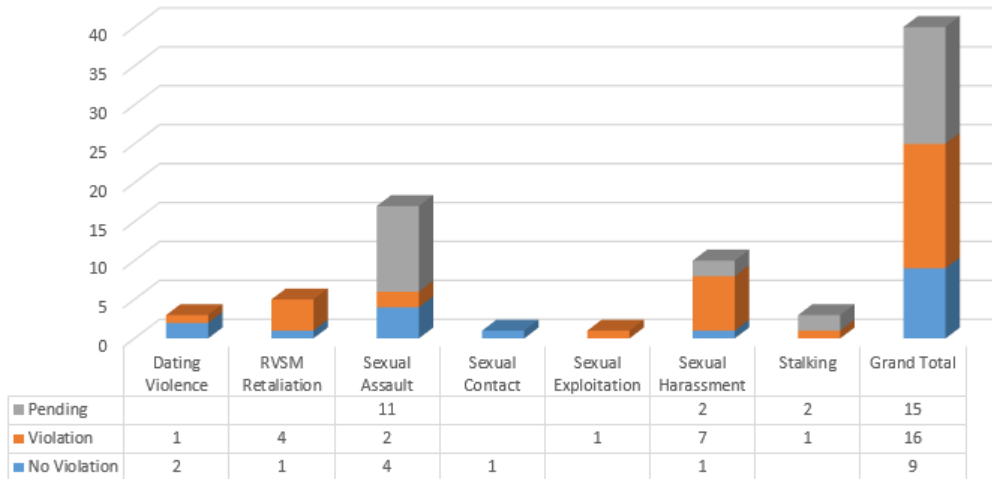

- Administrative Closure—Issue resolved through other administrative process.
 - Does not meet standard—Claim does not meet the standard outlined in the policy.
- Note: The Title IX Coordinator reviews cases closed for non-participation to identify: patterns, improvements to policies/procedures that are necessary, or additional training programs that can be offered.
