Dear Violence Free Communities Committee Members:

First, let me begin by thanking each of you for your service on the committee and your commitment to enhancing the University's response, prevention and education efforts, and supportive services. I appreciate the work of the committee during the 2017-2018 academic year and your time spent reviewing the community input gathered by the Sexual Violence Advisory Committee. I have reviewed the committee's recommendations as well as the annual report prepared by SVAC. I am supportive of all of the recommendations VFC presented and look forward to working with you over the summer to develop implementation plans for the 2017-2018 academic year. As we open the 2017-2018 academic year, I look forward to engaging VFC in providing an orientation to SVAC members, which will include information how MSU will implement VFC's recommendations and how SVAC can support implementation efforts.

Thank you again for your work on this committee and for your ongoing work to cultivate a culture of caring and respect at MSU. I look forward to working with you next year as we implement these recommendations.

Sincerely,

Jessica Norris  
Title IX and ADA Coordinator
