TIPS FOR FINDING RESOURCES NEAR YOU

When searching for resources, there are a few things you may want to consider.

Am I doing this right?

There is no correct way to seek resources. It's okay to get the help you need in the way, and at the pace that feels best for you.

Which resource is right for me?

If you're not sure a resource is exactly what you need, feel free to give them a call anyway. Resource professionals are usually happy to refer you to the best place for you to get help.
